MASAŽE MASSAGES

Wellness Relax masaža*

Predstavlja klasičnu evropsku tehniku manipulacije mišića koja u kombinaciji sa eteričnim uljima utiče na poboljšanje cirkulacije, limfnog, mišićnog i nervnog sistema. Dugi hvatovi ujednačenog tempa dovešće telo u stanje potpune relaksacije. 50 ili 90 minuta.

Wellness Relax massage*

Represents the classical European technique of muscle manipulation that combined with essential oils affect the improvement of blood circulation, lymphatic, muscular and nervous system. Long uniform pace strokes will bring the body into a state of total relaxation. 50 or 90 minutes.

Sportska masaža*

Brz način života i stresno okruženje dovode telo u stanje mišićne napetosti. Ova masaža dubokih tkiva rasterećuje tetive i ligamente, poboljšava pokretljivost i oslobađa toksine iz umornih i preopterećenih mišića. 50 ili 90 minuta.

Sports (Deep Tissue) massage*

Hectic lifestyle and stressful environment lead the body into a state of muscular tension. This deep tissue massage relieves tendons and ligaments, improves mobility and release toxins from fatigue and overloaded muscles. 50 or 90 minutes.

Aromaterapijska masaža*

Utonite u svet raskošnih aroma i mirisa. Koristeći kombinaciju hvatova i akupresurnih tačaka, ova umirujuća i nežna masaža će omogućiti da lekovita svojstva prirodnih ulja prodru u kožu, ostavljajući telo opušteno i sa osećajem blagostanja. 50 minuta.

Aromatherapy massage*

Let yourself be pampered in the luxurious world of flavors and fragrances. Using a combination of acupressure points and strokes, this soothing and gently massage will allow the heating properties of natural oils penetrate the skin, leaving the body relaxed and with a sense of well being. 50 minutes.

Masaža toplim kamenjem*

Sinergija dubinskog toplotnog efekta vulkanskog kamenja i čistih eteričnih ulja, čini ovaj luksuzni tretman najboljim vidom relaksacije. Toplotna moć kamenja postavljenih na ključne energetske tačke tela kao i lekovito dejstvo aromatičnih ulja dovešće Vas u stanje potpunog duhovnog i fizičkog blagostanja. 50 ili 90 minuta.

Hot Stone massage*

The synergy effect of deep heat of volcanic stones and pure essential oils makes this luxurious treatment the best form of relaxation. Thermal power of stones placed on key energy points of the body and the healing effect of aromatic oils will bring you into a state of spiritual and physical well being. 50 or 90 minutes.

Refleksologija

Refleksologija je drevna veština lečenja bazirana na refleksnim tačkama stopala, dlanova i ušnih školjki. Te tačke su povezane sa ostatkom organizma putem konstantnog protoka energije. Tretiranjem refleksnih tačaka postićemo vraćanje prirodnog toka energije i poboljšanje opšteg zdravlja. 50 minuta.

Relexology

Reflexology is an ancient art of healing based on the reflex points of the feet, hands and ears. These points are connected to the rest of the body through the constant flow of energy. By treating reflex points we achieve restoring of natural flow of energy and improvement of overall health. 50 minutes.

Masaža trudnica*

Ovaj tretman je posebano prilagođen individualnim potrebama budućih mama. Specijalnim masažnim tehnikama tretiraju se delovi tela koji trpe najveće napore u određenim mesecima trudnoće. Izuzetno deluje na psiho-fizičko stanje žene i vraća preko potrebnu energiju telu. 30 minuta.
